## Surrogate Insurance Costs

Health Insurance:	\$6,000-\$18,000*
-------------------	-------------------

Intended Parent(s) are responsible for all pregnancy, prenatal and delivery related medical fees not covered by insurance, such as copays, deductibles, coinsurance and in most cases, monthly premiums. Amount of insurance costs will vary depending on the insurance policy and medical circumstances.

Insurance Review & Policy Initiation (per Calendar Year):	\$700
---	-------

Intended Parent(s) are responsible for all fees associated with insurance reviews with license brokers and policy initiation done by insurance broker.

Post Birth Claims Management:	\$900
-------------------------------	-------

Intended Parent(s) are responsible for fees associated with insurance broker post birth claims management. The insurance broker will support All Families Surrogacy in managing medical bills with the surrogate's medical providers for the delivery and postpartum period.

Life Flight Emergency Air Evacuation:	\$70
---------------------------------------	------

Intended Parent(s) are responsible for fees associated with Life Flight. This is an additional insurance policy for the states of Oregon, Washington, and Idaho. This is a onetime fee that covers a surrogate if needed to be life flighted.

Life Insurance (Accidental Death):	\$500-2500
------------------------------------	------------

Intended Parent(s) are responsible for fees associated with Life Insurance.

**Insurance Total (estimated): \$8,000 to \$22,000**

**\*In rare cases insurance has been seen as high as \$30,000+**

## Trust Account Management Fees

The escrow agent charges a flat fee for the duration of your surrogacy contract. Escrow agent and AFS will work together to process all payments and reimbursements to your Gestational Carrier and we will provide you with a monthly account statement. In addition, you will have 24/7 online access to escrow balance and transaction details.

Escrow / Trust Account Management Fee: \$1,500 estimated

## Legal Fees

Intended Parent(s) are responsible for their attorney fees, as well as those of the Gestational Carrier. We will be happy to refer you and your Gestational Carrier to attorneys in your area. All outside legal fees will be paid directly to the attorneys. All outside legal fees are estimates only, based on industry standards.

Intended Parent(s) Legal Counsel (payable to IP's attorney for contract review & negotiation contract, parentage proceedings, etc.) \$5,000 - \$10,000

Gestational Carrier Legal Counsel (payable to Carrier's attorney for contract review & negotiation contract, parentage proceedings, etc.) \$1,000 - \$3,000

Legal Fees Total: \$6,000 - \$13,000 estimated

## Variable Expenses

**All Families Surrogacy requires a \$20,000 Variable Expenses Deposit into escrow for variable expenses, due upon execution of your Surrogacy Contract.** This deposit is fully refundable approximately three to five months after the conclusion of your surrogacy journey, minus any required variable expenses paid out.

### **Other Additional Fees:**

**IVF / Egg Donor / Clinic Medical Fees: \$20,000 - \$50,000**

All costs associated with the IVF procedures, egg donors or IVF Centers, including but not limited to medical testing, screening, laboratory, medications, ultrasounds, and doctor visits (whether for Intended Parent(s), Egg/Sperm Donor or Gestational Carrier) are in addition to this fee structure and will be paid directly to your doctor and/or clinic. Please contact your clinic for a complete listing of additional costs. We will be happy to assist you in obtaining your clinic's fees for your Gestational Carrier's medical appointments and procedures, as well as referring you to an Egg/Sperm Donor agency.

**Newborn Insurance: \$10,000-\$120,000**

Also, not included in the above estimated fee is Newborn Insurance. Newborn policies are cost containment programs that coordinate provider negotiations and payments of newborn medical expenses incurred from the delivery, in-patient services in the hospital, and potentially out-patient needs following discharge from the hospital. Plans are professionally managed, providing protection from high newborn care costs due to complications.

**DISCLAIMER: The information in this fee structure is meant to assist you in planning your surrogacy and is only an estimate. There are many factors that determine the overall cost of a surrogacy. Yours may cost more or less depending on your circumstances. These amounts are subject to change without notice.**
